

ACCESSIBILITY ACCESSORIES

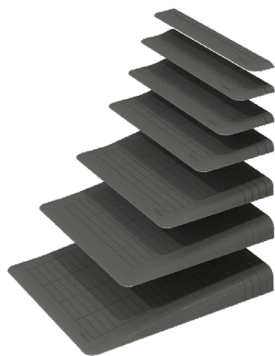

RAMP/THRESHOLD ELIMINATOR

This ramp is manufactured from 100% recycled material, consisting of granules from used car tires.

- Easy to install
- Silent
- Durable
- Light weight
- Access from three sides.
- No sharp edges
- Can withstand unlimited weight

Can be used on all plain surfaces, outside as inside, and does not damage floor surfaces.

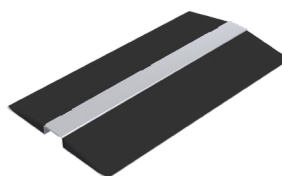

Can be trimmed in width and depth with a knife or a saw.

10009631	Threshold eliminator ER25, W900mm. D200mm, Height 25 mm
10008759	Threshold eliminator ER35, W900mm. D280mm, Height 35 mm
10009632	Threshold eliminator ER50, W900mm. D400mm, Height 50 mm
10010143	Threshold eliminator ER60, W900mm. D480mm, Height 60 mm
10011597	Threshold eliminator ER100, W900mm, D800mm, Height 100mm

BASE FOR RAMPS

For placement of ramps on top of metal grid/mesh, the ramps can be supplied with a steel base.
